stall.

HOW STALL WORKS

Your money takes the safe route.

1

You pay

In the Stall app. Never to a stranger's account.

2

Stall holds it

The seller sees it is paid, but can't touch it yet.

3

You get it

Share your release code. Only then is the seller paid.

Wrong item or no show? **Your money comes back.**

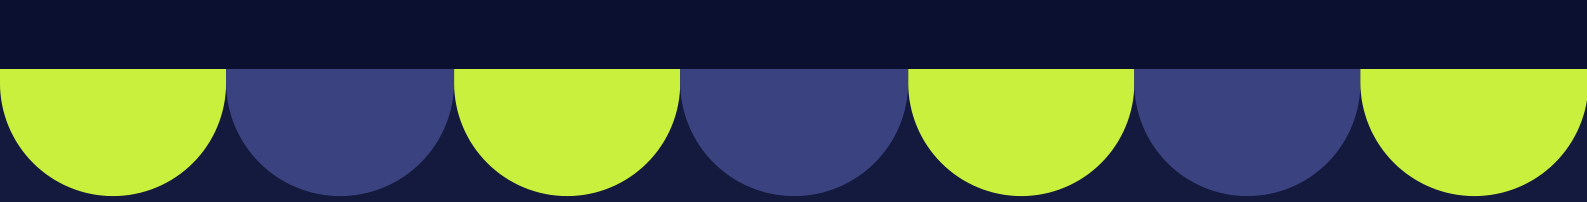

Scan to get Stall

Free. Students only. Takes a minute.

stall.com.ng/install

No more stalling. Stall it.

Buy and sell safely on campus

stall.

This code is
your power.

Only share it when the item is **in your hands**. Until then, the seller isn't paid.

✓ Right item?

✓ Right size?

✓ Working?

🔒 Then share the code

Scan to get Stall

FRESHERS

Welcome to ACU. Here's who not to pay first.

- ✗ "Send the money first."
- ✗ "Pay to my friend's account."
- ✗ "My account has issues, use this one."
- ✗ "I can't show the item, just trust me."
- ✗ "Price is going up today, pay now."

On Stall, nobody gets paid until **you have your item.**
